

**ONE DAY WORKSHOP FOR:
Clinical Leads within Clinical Commissioning Groups
(CCGs), Managers of CCGs and Members of CCG Boards**

Effective Clinical Commissioning

**Thursday 2 February 2012, 9.00-5.00 pm
Study Centre 3, The Moller Centre, Storey's Way, Cambridge CB3 0DE**

This course will improve your ability to make decisions that maximize clinical effectiveness based on the best evidence.

The emphasis of the workshop is on practical application.

- Of practical use to clinical leads, GP commissioners and managers.
- Also open to other GPs and trainees interested in clinical effectiveness.
- Mix of presentations, demonstrations, and skills practice.
- You are welcome to bring a commissioning question for discussion and guidance and for use as an example in group work or plenary.
- Networking time included to encourage region wide exchange.
- A self-study guide for post-course work is offered free of charge.
- Signposts to online resources to support clinically effective commissioning.

Course contents

- Why clinical effectiveness matters: getting the most out of resources.
- Finding the evidence: shortcuts to best evidence.
- Information management services: the example of the Evidence Adoption Centre.
- Making sense of evidence: understanding systematic reviews.
- Guidelines: assessing and adapting to local circumstances.

Facilitators

Dr Kevork Hopayian, GP Tutor, Suffolk who teaches on the Evidence-Based Practice module of the MSc in Health Science, UEA.

Mr Roy Marsh, Research Fellow at the East of England Evidence Adoption Centre, Cambridge.

Dr Dennis Cox, RCGP National Lead on Commissioning.

Dr Mark Attah, RCGP Clinical Commissioning Lead

Dr Gary Howsam, RCGP Clinical Commissioning Lead

**Cost - £125 (includes a self-study guide worth £25)
